USED BOOK SALE

Greetings to all loyal FOLD members! Thanks to all who patronized our May sale, you helped us generate \$2,648.86! This total includes sales from our 2nd floor shelves at HFCL, some online sales, and our FOLD table at the Bryant branch library.

In addition to our usual stellar collection of books, DVDs, music discs, magazines, etc., our **June 7th** sale will feature book club sets at 50 cents per book, and tons of paperbacks for only 25 cents each! This is the perfect time to stock up for beach and/or backyard reading for the summer.

In our children's area we will have a new selection of nonfiction books, a great assortment of fiction for all ages, and lots of clearance items.

Our **July 5th** sale will feature freshly stocked shelves and carts in the book sale room and hallway and our special feature will be a bag sale! You will be able to buy a large paper bag for just \$3 and then fill it up with any items found on the tables and/or carts in the rotunda area.

The July sale is our last sale until October, so mark your calendars and be sure to stock up!

Please keep FOLD in mind if you have books, vinyl records, compact discs, DVDs, etc. that are fairly new and in good shape, as we can always use more donations of nice, quality items. We are especially in need of vinyl record albums, newer textbooks, nonfiction books, and children's materials. Donations can be brought in on book sale day and given directly to FOLD, or they can be dropped off in the library administration hallway any other day.

We look forward to seeing everyone on **June 7th** and then again on **July 5th**, from 9:30 a.m. to 6 p.m. Please come in and support programming at your local library by making a purchase and/or donation. Thanks, and have a great summer!

A Big Thank You to our Library Staff

The FOLD volunteers greatly appreciate the assistance we receive from the dedicated library staff, who frequently work behind the scenes. Heading this list are the custodians who set up, clean up and assist us all day long. The very talented media personnel who help with our flyers and other print materials are amazing. Also, we thank the audio visual technicians, the computer experts and the circulation department that sells the 2nd floor FOLD materials. We reserve a special thank you to Deputy Library Director Julie Schaefer, who is our Library liaison for her helpful and cheerful assistance.
