V ACTION ITEMS

A. Election of officers

Chairperson Marcel Pultorak, Vice Chair Ryan Lazar, and Secretary/Treasurer Jihan Jawad volunteered to retain their respective positions on the Library Commission.

- Motion to approve slate made by Commissioner Dagher, second by Commissioner Michelle Jawad. Motion carried.

B. Decommissioning of exhibit collection

The administration proposed the decommissioning of the exhibit collection, currently stored in the Ford Room at Henry Ford Centennial. They find it doesn’t fit the Library’s mission, as none of the material is used by patrons or staff. Furthermore, the materials require special care and have been deteriorating over time. Some of the more valuable books will be sold; some will be kept for display during special events. Potential evaluators are currently being researched.

- The collection will first be appraised before further action is taken.

C. Lost material reimbursement

At the City’s request, the Circulation Committee has proposed a change in the policy. Under the new policy, monetary reimbursement will no longer be allowed for lost materials that are later found; instead, a credit would be issued on the patron’s account.
Motion to approve made by Commissioner Dagher, second by Vice Chairperson Ryan Lazar. The motion passed.

D. Contribution to City’s general fund

City Council has requested a payment of $1 million from the Library’s fund balance into the general fund.
