V ACTION ITEMS

A. Library Rates and Fees

Few changes are recommended. Fiscal years 21, 22, and 23 are proposed to remain mostly the same, with an increase in the cost of wired microphone rental and kitchenette use in 2023.

No set prices are recommended for makerspace rental at this time. We need to determine how the room will be used. Charges for classes will be determined at a later date, more than likely to include the cost of materials and program development. Instructor fees will be charged on an individual basis.

Children’s and teen materials are proposed to be fine-free going forward, with the exception of lost materials. A hold may be placed on an account in lieu of a fine.

- Motion to accept the rates and fees schedule made by Commissioner Dagher, second by Vice Chair Lazar. Motion approved unanimously.

B. Lost and Found policy

A formal lost and found policy is proposed for adoption. Low value items will be held at the Library for 30 days before they are disposed of or donated. High value items will go to the police department lost and found after 30 days. Money unclaimed will be donated to the FOLD book sale account.

- Motion to approve made by Commissioner Dagher, second by Vice Chair Lazar. Motion carried. The policy will be forwarded to the Legal Department for further review.
