## Computer Wireless Printing Instructions

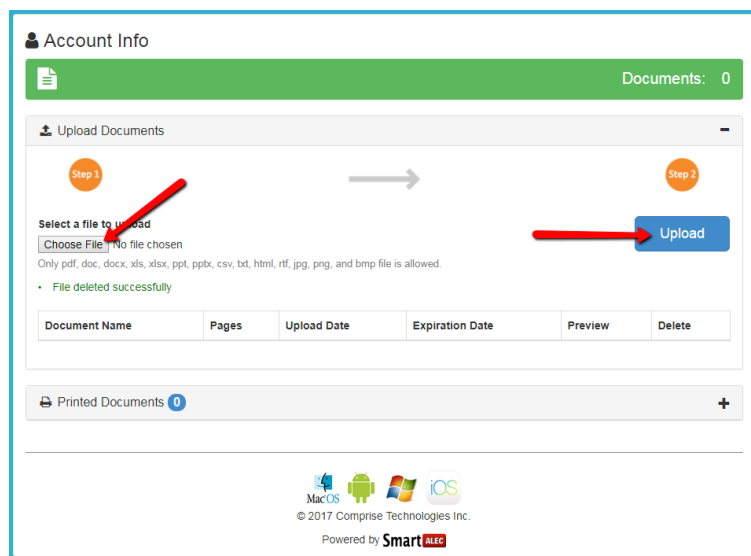

---

### SETUP

1. Visit [bit.ly/wireless-printing](http://bit.ly/wireless-printing)
2. Create your wireless printing account by clicking on the [First Time User] button
3. Fill out the information, remember to provide your own library card number and pin if you have one
4. Log in

### HOW TO PRINT

1. Once you have logged into your account you will be presented with the following screen.
  - a. Click on the [choose file] button to select the document you wish to print.
  - b. Click the [Upload] button to transfer the document to the SmartALEC system. Once uploaded your document will be available to be printed from any print kiosk at any Dearborn library location.

# OPTIONS

Once you have printed your document to SmartALEC, you may open the application to find additional options such as:

- Preview your items sent to the printer
- Delete any documents you have in your print queue

Please keep in mind that documents sent to the SmartALEC printer will be available to be printed from any Dearborn Library printer kiosk for 7 days.
